However, certain allotments were made to them as their applications were forwarded by the Directorate of Education (NCT) which has been an eligible office. After considering their representation for declaring them eligible for General Pool, it was clarified in December, 1991 that the teachers and other staff in the schools would not be eligible for initial allotment (in turn as well as out of turn) as they are getting allotments from Delhi Administration Pool. However, allotments already made to them would continue to be treated as lawful allotments. They would also be entitled to any consequential benefit being an allottee of G. P. such as change, ad-hoc allotment/regularisation on retirement/ death grounds to their wards employed in eligible offices.

There is no proposal for reviewing the Policy in future.
